## Construction Activities: United States

Dates and times provided below may change due to weather conditions and other factors affecting construction activities. Although this list is intended to be comprehensive, unavoidable emergency road detours and road closures may occur. Please watch for workers along this corridor. We apologize for any inconvenience and thank you for your patience.

### Week of May 7, 2018

#### Demolition Activity

Building demolition work is currently planned to occur along Springwells Court (between W. Jefferson Avenue and the Detroit River), along W. Fort Street (between Military Street and Cavalry Street), along Campbell Street (between Fort Street and the NB Service Drive), along S. Post Street (between South Street and W. Jefferson Avenue) and along Dragoon Street (between South Street and the Railroad tracks). Intermittent lane closures are expected along SB 75 Service Drive.

Tree cutting and clearing will continue throughout the footprint.

#### Preliminary Site Investigation (PSI)

PSI work is scheduled to occur along W. Jefferson Avenue (between Schroeder Street and S. Post Street), along Livernois Avenue (between South Street and the Railroad tracks), along Crawford Street (between South Street and the Railroad tracks) and along S. Post Street (between South Street and W. Jefferson Avenue). Seeding and mulching will be ongoing at various parcels throughout the footprint. This work is not anticipated to impact traffic.

#### Survey Activity Work

No survey field work is planned, however contingent intermittent survey work may be required for various parcels throughout the entire Project area. No lane closures are expected.

#### Utility Work

Intermittent lane closures possible within the footprint for manhole work and cable removals. Miscellaneous debris will also be picked up throughout the footprint.

Junction Street (between Fort Street and the I-75 Service Drive) will be closed May 14, 2018 for approximately two weeks for utility work. A detour will be posted.
