Good afternoon,

Here are a few things we wanted you to know about:

Malden Park Observation Area Accessibility Survey

As part of the Gordie Howe International Bridge Community Benefits Plan, the project team is working with the City of Windsor to construct an observation area at Malden Park in Windsor. The area will provide a safe location for residents, students, and tourists to observe the construction of the Gordie Howe International Bridge. To minimize barriers for people with disabilities, we are seeking feedback on the accessibility of the area so it can be enjoyed by all. Provide feedback by taking an [online survey](#).

NEW Gallery of the Canadian Port of Entry

We've posted a new gallery of the Canadian Port of Entry on the project [website](#). Another new gallery will be posted next week.
