2023 Community Organization Investment Funding Increased – Applications Open

Applications are open for the 2023 Community Organization Investment, a five-year initiative as part of the Community Benefits Plan.

In its first three years, \$300,000 (CDN) has been invested in 26 local initiatives. Year after year, the project has received applications that have exceeded the annual funding envelope of \$100,000 (CDN). Following consultation with community partners, the project team has increased the annual investment to \$200,000 (CDN) for the remaining two years of the initiative, with each community to receive \$100,000 (CDN).

The funding is available to registered non-profit or charitable organizations located in or serving Sandwich/west Windsor and Delray/Southwest Detroit communities in Canada and the US. Eligible organizations can submit funding applications ranging from \$1,000 to \$25,000 (CDN) for events, programming and infrastructure improvements that will benefit the neighbourhoods closest to the project.

Applications will be accepted until 4:00 p.m. on January 25, 2023.

Applications will undergo a thorough review process and will only be considered for funding if eligibility requirements are met. [Learn more and apply now!](#)

Organizations looking for additional information on the Community Organization Investment process and eligibility requirements are encouraged to visit GordieHoweInternationalBridge.com. Information sessions are being held in-person January 11, 2023, and January 12, 2023.
