

CLARK PARK FITNESS EQUIPMENT PROJECT HIGHLIGHTS

The Community Benefits Plan is bringing enhancements to Delray/Southwest Detroit and Sandwich/west Windsor through investments in programming, events and infrastructure improvements. Learn more about the plan at GordieHoweInternationalBridge.com.

Outdoor fitness equipment was procured by the project team and donated to the City of Detroit to install in Clark Park. This investment complements other improvements being delivered by the City of Detroit through the Clark Park Revitalization project.

The outdoor fitness equipment includes various pieces such as an outdoor fitness rig, mounted cross country ski, a rowing machine, an elliptical machine, plyometrics equipment and upper and lower body exercise machines.
