Community Feedback Wanted

The Gordie Howe International Bridge Community Benefits Plan includes the Neighbourhood Infrastructure Strategy, a \$20 million (CDN) investment in the local communities of Sandwich/west Windsor and Delray/Southwest Detroit. With approximately 18 months remaining in the Community Benefits Plan implementation, the project team plans to invest up to \$1.5 million to add new programming initiatives.

In spring 2023, the project team consulted with key community stakeholders to develop a shortlist of programming investment areas that are relevant to the objectives of the Gordie Howe International Bridge Community Benefits Plan and align with the current priorities of the host communities.

The project team seeks community feedback to help identify priorities for programming for the Sandwich/west Windsor and Delray/Southwest Detroit neighbourhoods in 2023.

Please complete the survey to help guide these investments.

You may also complete a paper copy of the survey at:

- the John Muir Library in Sandwich at 363 Mill Street, Windsor, ON or Sandwich Community Office at 3201 Sandwich Street, Windsor, ON
- Community Health and Social Services (CHASS) Center in Southwest Detroit at 5635 W Fort St, Detroit, MI or the Southwest Detroit Community Office at 7744 West Vernor Highway, Detroit, MI

The survey closes on Wednesday July 12, 2023, at 4:00 p.m. EST.

COMMUNITY BENEFITS INVESTMENT SURVEY

Up to \$1.5 million of Community Benefits Plan funding may be invested into community programming initiatives.

The project team is seeking community feedback to identify programming priorities.

Complete the survey to help guide the 2023 investment areas for the host communities.
