Canadian Bridge Site Photo Gallery

Last week you got a bird's eye view of the Canadian and US bridge site. This week we invite you to take a closer look at the work taking place on the Canadian Bridge. Here you will get a better look at the cables being installed, the bridge deck going out over the Detroit River and the road deck that will connect to the Canadian Port of Entry. Check out how far we've come [here](#).

John M. Beck Award

The Gordie Howe International Bridge project's Joint Health & Safety Team is honoured to accept the John M. Beck Award for the third consecutive year for our contributions to the overall health and safety of our workers. Read more in this [news release](#).
