

Gordie Howe International Bridge

Construction Activities: Canada

Dates and times provided below may change due to weather conditions and other factors affecting construction activities. Although this list is intended to be comprehensive, unavoidable emergency road detours and road closures may occur. Please watch for workers along this corridor. We apologize for any inconvenience and thank you for your patience.

Week of May 7, 2018

Perimeter Access Road (PAR)

No work is planned.

Construction Activity

Construction of a new sanitary pumping station is ongoing (west of Sandwich Street near Chappus Street) and earthwork construction is ongoing on lands south of Prospect Avenue. These works are not anticipated to impact traffic.

Utility Work

Utility relocation work is ongoing, including:
- Hydro One transmission lines

Temporary Road Closures

Sandwich Street (from McKee Street to Broadway Street) is closed. Local businesses remain open and prior May 14, 2018, may be accessed through Broadway Street via Ojibway Parkway.

Starting Monday, May 14, 2018, at 7:00 a.m. Broadway Boulevard at Ojibway Parkway will be closed for approximately one month for paving work. Access will be maintained to local businesses with a signed detour in place.

Reminder: Construction at the Canadian Port of Entry site adjacent to Black Oak Heritage Park, is underway. Any entry into the site is considered trespassing. For your safety and the safety of the workers, please do not enter. As construction activities continue, temporary closures for Broadway Street and Black Oak Heritage Park may be necessary.
