

GORDIE HOWE INTERNATIONAL BRIDGE

Construction Activities: United States

Week of January 13, 2020

Dates and times provided below may change due to weather conditions and other factors affecting construction activities. Although this list is intended to be comprehensive, unavoidable emergency road detours and road closures may occur. Please watch for workers along this corridor. We apologize for any inconvenience and thank you for your patience.

Construction Activities - What you need to know

MICHIGAN INTERCHANGE I-75

- As construction of the Michigan Interchange begins, Bridging North America will temporarily implement partial closures on Jefferson Avenue for construction activities. A section of the right shoulder on westbound Jefferson Avenue will close between Cavalry Street and Dearborn Street from January 6 – 24, 2020, 7 a.m. to 6 p.m. daily.
- Ongoing construction of staging areas, including laydown area between Campbell Street and Cavalry Street, south of Anthon Street. Sheet piling completed at Springwells Street and Livernois Ave; ongoing at Clark Street
- Begin I-75 mainline and Service Drive demolition between Green Street and Springwells Street. Begin foundation piling at Springwells Street and Livernois Ave.

US BRIDGE

- The US Bridge team started installation of the 18 tower and the backspan 3m drilled shafts.

US POE

- Crews have begun wick drain installation with approx. 15,000 complete out of 105,000 wick drains and surcharge fill Utility relocation is complete within Phase I & II.

Phase 2 US POE configuration remains. The perimeter of the site includes:

- Post St eastward to Dragoon St, and from Jefferson Ave northward to the Norfolk Southern Railroad tracks (NSR).
- Livernois Ave between South St to NSR and South St between Livernois Ave and Dragoon Street continues to remain open. Access will be maintained to adjacent properties
