

Gordie Howe International Bridge

Construction Activities - United States

Week of March 2, 2020

Michigan Interchange I-75 Closures

As construction of the Michigan Interchange begins, Bridging North America will temporarily implement partial closures on the following streets for construction activities:

- All lanes on the southbound Service Drive will close between Green Street and Govin Street, beginning Tuesday, February 11, 2020. The closure will be in place for approximately eight months to accommodate for excavation, freeway widening and ramp/embankment construction. Access to Springwells Street businesses and adjacent residential roadways will be available via Green Street to W. Lafayette Blvd and from Springwells Street southbound.
- The right lane and right shoulder of I-75 northbound will be closed at the Springwells Street off-ramp, March 2 - 8, 2020, from 5 a.m. to 6 p.m. daily.
- The right lane and right shoulder of I-75 southbound will close at the Springwells Street off-ramp, March 2 - 8, 2020, from 5 a.m. to 6 p.m. daily.
- The west parking lane at Clark Street between Porter Street and southbound I-75 Service Drive will close on March 6 and March 7, 2020, 7 a.m. to 5 p.m. daily.
- The right shoulder on westbound Fort Street will close at Dragoon Street on March 9, 2020, from 7 a.m. to 5 p.m.
- The I-75 northbound Clark Street exit will be closed at Clark Street from February 24 to March 13, 2020, from 7 a.m. to 6 p.m. daily.
- Lafayette Blvd. westbound will close between Green Street and Springwells Street from March 3 to March 10, 2020, 9 a.m. to 6 p.m. daily.

Gordie Howe International Bridge

Construction Activities - United States

Week of March 2, 2020

US Port of Entry (POE)

- Crews are continuing wick drain installation with approximately 24,000 complete out of 105,000 wick drains
- Phase 2 US POE configuration remains. The perimeter of the site includes:
- Post St eastward to Dragoon St, and from Jefferson Ave northward to the Norfolk Southern Railroad tracks (NSR).
 - Livernois Ave between South St to NSR and South St between Livernois Ave and Dragoon Street continues to remain open. **Access will be maintained to adjacent properties.**

US Bridge site

- The US Bridge team started installation of the 18 tower and the backspan 3m drilled shafts. Work plan development continues for construction tower footings in spring 2020
