

Gordie Howe International Bridge

Construction Activities: United States

Dates and times provided below may change due to weather conditions and other factors affecting construction activities. Although this list is intended to be comprehensive, unavoidable emergency road detours and road closures may occur. Please watch for workers along this corridor. We apologize for any inconvenience and thank you for your patience.

Week of December 19, 2016

Demolition Activity

Demolition will occur on the Southbound I-75 Service Drive (between Junction Street and Cavalry Street) and on Campbell Street (between Fort Street and I-75). The roads will remain open and this work is not expected to impact traffic.

Preliminary Site Investigation (PSI)

There is no PSI work currently planned.

Survey Activity Work

Survey work will occur on Central Street (between Fort Street and I-75) and on Solvay Street (between Fort Street and I-75). The roads will remain open and this work is not expected to impact traffic.

Utility Work

There is no utility work currently planned.

Temporary Road Closures

There are no road closures currently planned.
