

Gordie Howe International Bridge

Construction Activities: United States

Dates and times provided below may change due to weather conditions and other factors affecting construction activities. Although this list is intended to be comprehensive, unavoidable emergency road detours and road closures may occur. Please watch for workers along this corridor. We apologize for any inconvenience and thank you for your patience.

Week of June 5, 2017

Demolition Activity

Demolition work is currently planned to occur along W Fort Street (between Military Street and Waterman Street), along Post Street (between South Street and W. Jefferson Avenue), along Rademacher Street (between South Street and the railroad tracks), along Military Street (between W. Jefferson Avenue and the railroad tracks), and along McKinstry Street (between I-75 and Porter Street). This work is not expected to impact traffic.

Preliminary Site Investigation (PSI)

PSI work is currently planned to occur along Fort Street (between Crawford Street and Livernois Avenue), along the Southbound I-75 Service Drive (between Junction Street and Campbell Street), and along Springwells Court south of W. Jefferson Avenue. This work is not expected to impact traffic.

Survey Activity Work

Survey work is anticipated in the area bound by Clark Street, the Southbound I-75 Service Drive, Springwells Street and W. Jefferson Ave. This work is not expected to impact traffic.

Temporary Road Closures

There are no road closures related to the Gordie Howe International Bridge project.
