

Gordie Howe International Bridge

Construction Activities: United States

Dates and times provided below may change due to weather conditions and other factors affecting construction activities. Although this list is intended to be comprehensive, unavoidable emergency road detours and road closures may occur. Please watch for workers along this corridor. We apologize for any inconvenience and thank you for your patience.

Week of September 18, 2017

Demolition Activity

Building demolition work is currently planned to occur along Reid Street (between Holly Street and Jefferson Avenue), Dragoon Street (between South Street and Fort Street), Fort Street (between Cavalry Street and Campbell Street), Fort Street (between Livernois Avenue and Dragoon Street), Jefferson Avenue (between Rademacher Street and Reid Street), Jefferson Avenue (between Cavalry Street and Military Street), Southbound I-75 Service Drive (between Campbell Street and Junction Street), Schroeder Street (between South Street and Jefferson Avenue), Waterman Street (between South Street and Jefferson Avenue), Rademacher Street (between South Street and Jefferson Avenue), Cavalry Street near the northbound I-75 Service Drive, Cavalry Street (between Driggs Street and Harvey Street) and Crawford Street (between Holly Street and Jefferson Avenue). This work is not anticipated to impact traffic.

Preliminary Site Investigation (PSI)

PSI work is anticipated along Campbell Street (between Lauderdale Street and Reeder Street), Cavalry Street (between Anthon Street and Reeder Street), Fort Street (between Livernois Avenue and Cavalry Street) and Post Street (between Fort Street and South Street). This work is not anticipated to impact traffic.

Survey Activity Work

Survey work is anticipated along Post Street between W. Jefferson Avenue and South Street. This work is not anticipated to impact traffic.

Temporary Road Closures

Utility work is expected along the Northbound and Southbound I-75 Service Drives (between Rademacher Street and Waterman Street), Junction Street (between Driggs Street and Fort Street) and Rademacher Street (between W. Jefferson Avenue and I-75). Intermittent lane closures are anticipated at these locations.
