## Construction Activities: United States

Dates and times provided below may change due to weather conditions and other factors affecting construction activities. Although this list is intended to be comprehensive, unavoidable emergency road detours and road closures may occur. Please watch for workers along this corridor. We apologize for any inconvenience and thank you for your patience.

### Week of August 6, 2018

#### Demolition Activity

Building demolition work is currently planned to occur along W. Jefferson Ave. (between Military St. and Dragoon St.), along S. Harrington St. (between Gould St. and W. Jefferson Ave.), along W. Fort St. (between Post St. and Waterman St.), along Livernois St. (between South St. and the railroad tracks), along W. Fort St. (between Post St. and Campbell St.), along W. Fort St. (near Waterman St.), along Reid St. (between South St. and the railroad tracks), along Morrell St. (between SB I-75 Service Drive and Porter St.) and along W. Fort St. (between Dragoon St. and Livernois Ave). Intermittent lane closures are expected along various streets throughout the footprint. Turf restoration is also occurring on several parcels throughout the footprint.

#### Preliminary Site Investigation (PSI)

PSI work is scheduled to occur along W. Jefferson Ave. (between S. Post St. and Schroeder St.). GPR work will also be occurring within the Right-of-Way along the following streets: Livernois Ave., Holly St., South St., Dragoon St., Cavalry St., Campbell St. and Reeder St. Seeding and mulching may also be ongoing at various parcels throughout the footprint. This work is not anticipated to impact traffic.

#### Survey Activity Work

No survey work is planned. Contingent intermittent survey work may be required for various parcels throughout the entire project area.

#### Utility Work

Gas main installation will be occurring along W. Fort St. (near Beard St.) and along Clark St. (between W. Fort St. and the NB I-75 Service Dr.). Intermittent lane closures are expected throughout the week. '

DTE conduit installation will require the closure of Rademacher St. (between W. Fort St. and the NB I-75 Service Dr.) beginning August 1, 2018 for approximately two weeks. Tree cutting and miscellaneous debris removal will also be occurring throughout the footprint.
