

Good afternoon,

The Windsor-Detroit Bridge Authority team has been busy over the past few weeks and has new information we wanted you to know about.

### **Season's Greetings**

On behalf of the staff of the Windsor-Detroit Bridge Authority, we would like to wish you warm greetings for the season. We appreciate your ongoing interest in the Gordie Howe International Bridge project and look forward to telling you more about the progress we are making in 2016. Best wishes for a safe and happy holiday.

### **Minister of Infrastructure and Communities visited**

On December 17, 2015, federal Infrastructure and Communities Minister Sohi visited Windsor and Detroit to learn more about the Gordie Howe International Bridge project. As part of his visit, Minister Sohi stopped to tour the future site of the Canadian Port of Entry where he had the opportunity to see first-hand the Early Works activities currently underway. At the site, he cut one of the 45,000 wicks that are being installed and placed fill on top as one of the last steps in the wick drain installation process.
