

Good morning,

Windsor-Detroit Bridge Authority (WDBA) has a few project updates which you will find of interest.

Professional Engineers Ontario (PEO) Windsor-Essex

Looking for something to do this weekend? The Windsor PEO Chapter is holding a family event at Devonshire Mall, October 29-30, 2016, to showcase engineering for children and teenagers. This will also feature a bridge busting event where bridges will be built and load tested. Stop by to visit WDBA's station for information on the Gordie Howe International Bridge project.

Current Opportunities

WDBA is currently seeking qualified applicants for a few positions. View the list of current opportunities at www.wdbridge.com/en/opportunities. Interested in applying? Please read the job ad for details on the application process and note the closing date. Follow us on Twitter, Facebook or LinkedIn to see future postings.

Web Features

New Spotlight Stories and photo albums on construction progress at the Gordie Howe International Bridge project site are regularly posted on our website, www.wdbridge.com and social media accounts. Recent articles to check out feature project activities such as stormwater management, Broadway Drain enhancements and hydro tower installation.

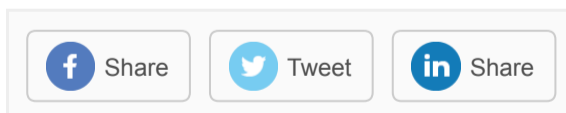

Construction Activities

For the latest on works taking place on both the Canadian and US sides of the project visit <https://www.wdbridge.com/en/construction-activities>. In Canada, activities taking place this week include the first phase of paving the Perimeter Access Road and Hydro One utility work. In the US, activities taking place include demolition in various locations, preliminary site investigations and survey activity.

Thank you,
