Have an idea for community benefits? Submit it by November 30, 2017

Following recent consultation with community agency stakeholders in Windsor and Detroit plus the three Proponent teams, WDBA has set **a deadline of November 30, 2017**, for the submittal of ideas and suggestions for consideration for community benefit plans. This deadline will ensure the Proponents have adequate time to fully consider the submissions and engage in further discussion with the appropriate resources if they wish to pursue an idea.

Ideas can be submitted by clicking on the "Submit An Idea" tab at www.wdbridge.com/en/info-centre-community-benefits.
