

## One Week Left to Show Us Your Bridge

To celebrate construction of the new bridge starting later this year, Windsor-Detroit Bridge Authority (WDBA) has launched a Show Us Your Bridge Art Challenge for youth to showcase their vision of what the bridge could look like.

Kids between the ages of 6-18 can use their creativity to make original drawings or paintings and send them to WDBA. All participants will receive a commemorative pin, a certificate of participation and a chance to win one of four \$25 gift cards. Artwork may be shared by WDBA in future project materials.

The submission deadline to “Show Us Your Bridge” is May 25 at midnight.

For more information including a copy of the entry form and waiver, visit the [Kid Construction Zone](#) section of our website.

### Traffic Note

Just a reminder that in Canada, Broadway Street at Ojibway Parkway remains closed for approximately 4-6 weeks. Local businesses can be accessed via Sandwich Street by following the detour signs that have been put in place.

In the US, Junction Street (between Fort Street and the I-75 Service Drive) remains closed for approximately two weeks for utility work. Please follow the posted detour route.

To stay up-to-date on traffic detours view our weekly [construction notices](#).

### Safety Reminder

Construction at the Canadian and US Ports of Entry is underway. Any entry into the site is considered trespassing. For your safety and the safety of the workers, please do not enter.

If you are travelling through an established detour route, keep in mind these “[9 Things To Know](#)” about travelling through road construction.
