

## Construction Starts on the Gordie Howe International Bridge Project

It was great to see so many of you join us online this morning and at Senator David A. Croll Park this afternoon as we officially started construction on the Gordie Howe International Bridge project.

We were excited to have the Prime Minister of Canada, Justin Trudeau, the Honourable François-Philippe Champagne, Canadian Minister of Infrastructure and Communities and Rick Snyder, Governor of the State of Michigan join us.

If you had the chance to attend the event and took any photos please be sure to use our handle and tag us using hashtag #HoweBridge2018.
