INTERNATIONAL BRIDGE

Good afternoon,

This weekend's planned closure of I-75 in both directions between Springwells Street and Clark Street as part of the Gordie Howe International Bridge project has been postponed.

The new date for the weekend-long closure will be announced when available.

The existing closures of Springwells Street, Livernois Avenue and Clark Street road bridges, that began the week of October 21, 2019, remain in effect. Travellers are to follow posted detour routes.

Information about Michigan Interchange Phase 1 construction activities and detour routes can be found [here](#).

Thank you for your continued interest in the Gordie Howe International Bridge project.

Have a great weekend,

Gordie Howe International Bridge Team
