

Today we are excited to announce additional ways to connect with us and stay up-to-date on the Gordie Howe International Bridge project.

New Community Offices

We are pleased to be part of the host communities of the Gordie Howe International Bridge project and have secured office space in both Sandwich Towne and Southwest Detroit. The offices provide a venue for members of the community and stakeholders to meet with project team members, ask questions, view plans and gather the project-related information that they need. Finishing touches are being made to our office spaces and we are looking forward to opening our doors in the coming month.

The Sandwich Community Office is located in the historic former Sandwich Post Office at 3201 Sandwich Street.

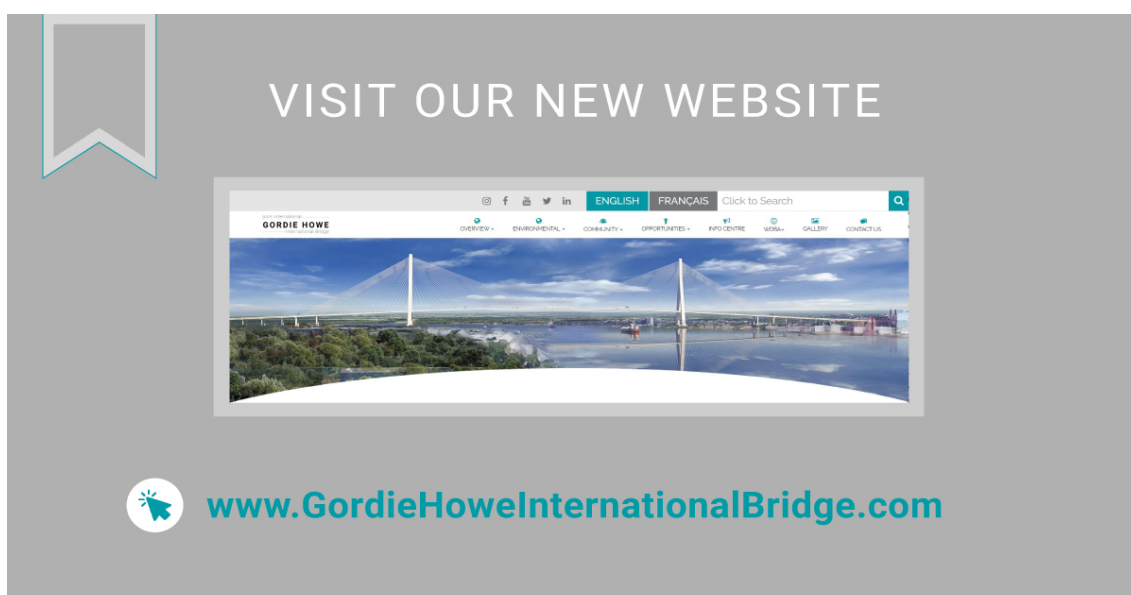

The Southwest Detroit Community Office is located at 7744 West Vernor Highway. [Learn more](#) about our office locations.

We invite the public to have a sneak peak of our Sandwich Community Office on Thursday, January 24, 2019, from 3:00 p.m. to 7:30 p.m. This will be an opportunity for the community to learn more about Gordie Howe International Bridge community benefits and provide input on proposed initiatives for the Neighbourhood Infrastructure Strategy.
