

PONT INTERNATIONAL GORDIE HOWE INTERNATIONAL BRIDGE

Good afternoon,

Here are a few things we wanted you to know about:

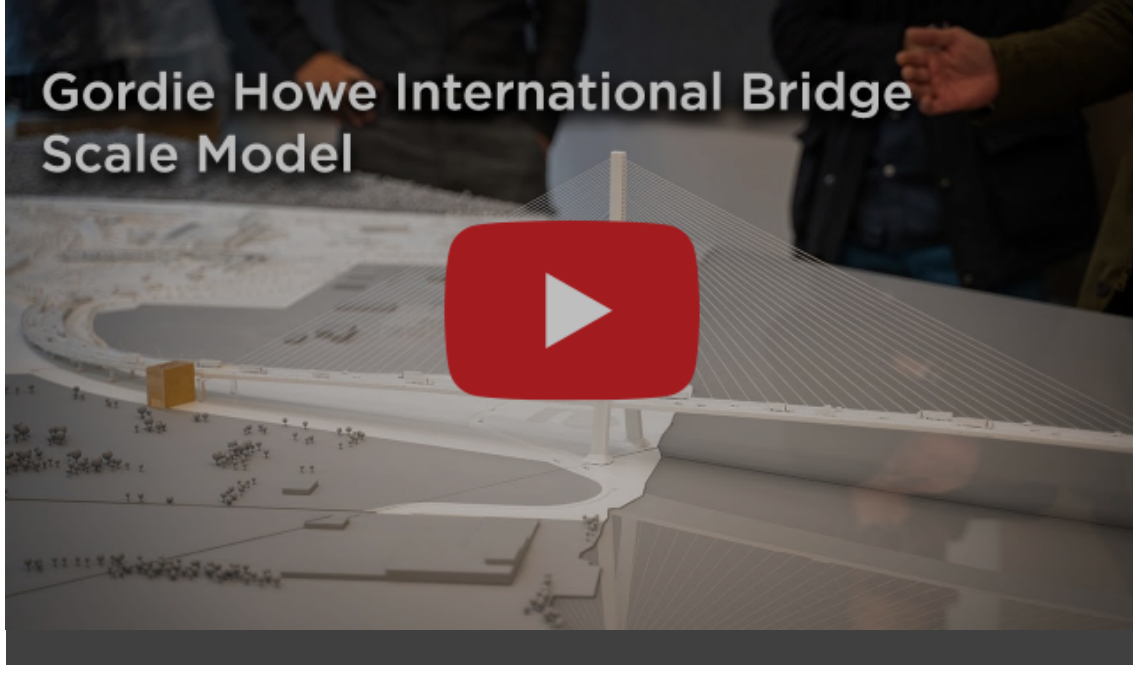

Lest We Forget

On Wednesday, November 11, 2020, we remember the courage and sacrifice of the heroes who have served and continue to serve. Windsor-Detroit Bridge Authority is closed for Remembrance Day and will reopen Thursday with regular business hours.

Gordie Howe International Bridge Scale Model

The Gordie Howe International Bridge will be the largest cable-stayed bridge in North America and it's the inspiration for a scale model. Watch this video that looks at the work and detail of the entire project.

Upcoming Long-Term Closure: Springwells Court

As construction of the Gordie Howe International Bridge continues, Bridging North America (BNA) will close Springwells Court. The Springwells Court closure marks the start of construction of the US portion of the Bridge that will pass over Springwells Court. The closure will start west of the Lafarge entrance, to east of the Springwells Court Detour. The closure will begin November 23, 2020, and remain in place until 2024.

THE PROJECT
The Gordie Howe International Bridge project between Windsor, ON and Detroit, MI will help move goods and people more efficiently at this important trade gateway. Managed by Windsor-Detroit Bridge Authority (WDBA) in collaboration with the State of Michigan, the project is being delivered through a public-private partnership (P3) which will see Bridging North America design, build, finance, operate and maintain the bridge.

As construction of the Bridge continues, Bridging North America (BNA) will close Springwells Court. The Springwells Court closure marks the start of construction of the US portion of the Bridge that will pass over Springwells Court.

The closure will start west of the Lafarge entrance to east of the Springwells Court Detour. The closures are as follows:

- Springwells Court northbound and southbound will close west of the Lafarge entrance to east of the Springwells Court detour from November 23, 2020, until November 23, 2024.

Springwells Court Detours

- Springwells Court southbound traffic will be detoured around the closure via the Springwells Court Detour back to Springwells Court.
- Springwells Court northbound traffic will be detoured around the closure via the Springwells Court Detour back to Springwells Court.

Springwells Court Temporary Closures

We appreciate your cooperation throughout this project. Every effort will be made to reduce inconvenience to drivers, residents and the business community. If you have any questions or concerns regarding traffic or these construction activities find out more:
