West End Art Project: A Project of Life After Fifty

As part of the Gordie Howe International Bridge Community Benefits Plan, funding has been provided to the West End Art Project to lead a community based initiative that will create a public art piece. Be part of the new art for West Windsor! What places, spaces, stories and things do you share or enjoy in Windsor's West End? From parks to the riverfront trail, shoreline wildlife to the University of Windsor campus, you'll spot murals, sculptures and even painted rocks that attract residents and visitors to the multifaceted and diverse community that creates what we know as "The West End".
