

PONT INTERNATIONAL GORDIE HOWE INTERNATIONAL BRIDGE

Good afternoon,

Here are a few things we wanted you to know about:

The Delray Home Improvement Program

The Gordie Howe International Bridge team is excited to launch the Delray Home Improvement Program, a free home repair program for eligible homes or duplexes in the area surrounding the Gordie Howe International Bridge and US Port of Entry construction site in the Delray, Detroit neighborhood.

Based on feedback and requests from the Southwest Detroit community, the project team included the Delray Home Improvement Program in the Community Benefits Plan for the project. The program represents a \$4 million (CAD) investment to help residents undertake home repairs to properties located in Delray, Detroit. The program boundaries are:

- Interstate-75 (I-75) to the north
- Clark Avenue/South Clark Street to the east
- West End Street to the west
- West Jefferson Avenue to the south.

Applications are now being accepted [online](#) or through paper submissions that will be mailed to eligible households in early 2021.

Successful applicants may receive items from the pre-approved repair/replacement list, based on an assessment of the home, with a per-house cap of \$20,000 (USD). Improvements offered include:

- roof repair and/or roof replacement
- window and/or door replacement
- roof insulation and/or wall insulation
- repair or replacement of heating, ventilation, and/or air-conditioning (HVAC) unit.
