*Cette publication est également disponible en français sur demande.*

Good afternoon,

Here are a few things we wanted you to know about:

## New US Photo Galleries

We've posted new galleries of the Michigan Interchange and US Port of Entry, [click here](#) to check them out. Another new US gallery coming next week.

## Earth Day 2022

On Earth Day, April 22, 28 members from Bridging North America (BNA) in Canada participated in a community cleanup. Groups collected waste from their workplace, BNA grounds, and along Broadway Street. Approximately 700 lbs of garbage was removed.

Windsor-Detroit Bridge Authority (WDBA) also attended Earth Day at Malden Park in Windsor on Sunday, April 24, to provide the community with project information. Activity bags were given to the first 100 children to stop by the table.

## National Day of Mourning

April 28, 2022, marks the National Day of Mourning in Canada. The Gordie Howe International Bridge project team observed a moment of silence today to remember and honour lives lost or injured due to a workplace tragedy, and also to renew our commitment to improve health and safety in the workplace and prevent injury, illness, and death.

## April 28

I will be pausing for a moment of silence at 11 am on April 28 to honour workers who have died, were injured, or became ill from their job.
