COMMUNITY BENEFITS OPEN HOUSE
January 24, 2019
WDBA Sandwich Community Office
3201 Sandwich Street, Windsor, ON, N9C 1A9
3:00 p.m. – 7:30 p.m.

The Gordie Howe International Bridge project between Windsor, ON and Detroit, MI will help move goods and people more efficiently at this important trade gateway.

Community Benefits

The Community Benefits Plan to be delivered as part of the Gordie Howe International Bridge project reflects the regional priorities heard to date, and is comprised of two components:

WORKFORCE DEVELOPMENT & PARTICIPATION STRATEGY

Geared toward engaging businesses and providing employment opportunities. The strategy to be finalized and implemented will centre on workforce, training and pre-apprenticeships/apprenticeships.

NEIGHBOURHOOD INFRASTRUCTURE STRATEGY

Focuses on collaborating with stakeholders and community members through consultation to develop a community infrastructure strategy based on identified priorities.

The Neighborhood Infrastructure Strategy is a \$20 million community infrastructure investment focused on priorities identified through community benefit consultation undertaken from 2015-2017. \$10 million will be invested on each side of the border.

Bridging North America has prepared a list of potential community benefits for consultation prior to the finalization of the Community Benefits Plan to ensure the Neighborhood Infrastructure Strategy reflects the uniqueness of the host communities.
