

GORDIE HOWE INTERNATIONAL BRIDGE

I-75 RAMP AND SERVICE DRIVE CLOSURES

As construction of the Michigan Interchange continues, Bridging North America will close several ramps and the northbound and southbound I-75 Service Drives between Dragoon Street and Clark Street. Junction Street will remain open to through traffic. This closure is required to support the construction of siphon work.

DETAILS:

Beginning March 25, 2021, the following long-term closures will be implemented:

- **The Clark Street ramps to north and southbound I-75 will be closed**
- **The Livernois Avenue ramps to north and southbound I-75 will be closed**
- **I-75 Service Drive in both directions will close between Clark Street and Dragoon Street until June 15, 2022. Junction Street will remain open to through traffic.**

DETOURS:

Livernois Avenue

Southbound Livernois traffic heading to Fort Street will be detoured to southbound I-75 Service Drive, south on Waterman Street and then to northbound I-75 Service Drive or Fort Street.

Southbound Livernois traffic heading to northbound I-75 freeway will be detoured to southbound I-75 service drive, south on Waterman Street, east on Fort Street, north on Clark, then to northbound I-75 on-ramp. Eastbound and westbound motorists on Fort Street and Livernois/Dragoon heading toward southbound I-75 will be detoured north on Dragoon Street, west on southbound I-75 Service Drive, then to southbound I-75 Service Drive and Livernois on-ramp.

Clark Street

Northbound motorists on Clark Street heading to southbound Clark Street will be detoured east on northbound I-75 and Clark on-ramp, travel on northbound I-75, take northbound I-75 exit ramp to Vernor Highway, west on Vernor Highway, then to Clark Street.

Clark Street cont.

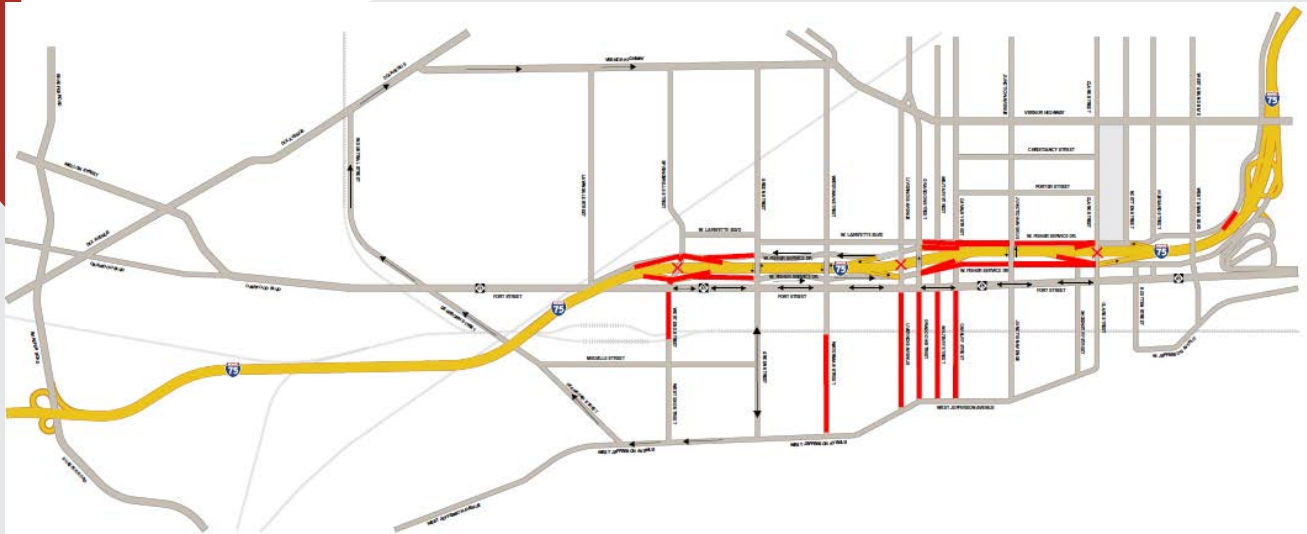

Southbound Clark motorists heading to southbound I-75 freeway will be detoured west on Vernor Highway, south on Junction Street, then to southbound I-75 Service Drive and Livernois on-ramp. Northbound Clark motorists heading to southbound I-75 freeway will be detoured west on Fort Street, north on Dragoon Street, west on southbound I-75 Service Drive, then to southbound I-75 Service Drive and Livernois on-ramp.

Vernor Highway On-Ramp to Southbound I-75 Freeway

Southbound motorists from southbound I-75 Service Drive will be detoured to continue on southbound I-75 Service Drive, west on W. Grand Boulevard, west on Fort Street, south on Green Street, west on Jefferson Avenue, north on Dearborn Street then take Dearborn on-ramp to southbound I-75.

Springwells Street

Southbound Springwells Street heading to northbound I-75 FWY will be detoured east to Lafayette Boulevard, south on Green Street, east on M-85, north on Clark Street, then to northbound I-75 and Clark Street on-ramp.

We appreciate your cooperation throughout this project. Every effort will be made to reduce inconvenience to drivers, residents and the business community. If you have any questions or concerns regarding traffic or these construction activities find out more:
