

# Gordie Howe International Bridge

## Construction Activities - Canada

**Week of September 14, 2020**

### Road Closures

#### Broadway Street

- Starting September 14, 2020 until approximately October 1, 2020, Broadway Street will be closed to traffic west of the Ojibway Parkway intersection for pavement upgrades at the Essex Terminal Railway tracks. Area businesses are asked to please inform their employees and scheduled deliveries of this closure. Any issues or concerns should be addressed to the City's Project Administrator, Stacey McGuire who can be reached by email at [smcguire@citywindsor.ca](mailto:smcguire@citywindsor.ca)

### Canadian Port of Entry

- Wick drain installation continues with approximately 130,000 complete out of the estimated 133,000 (2.3 million linear meters)
- 650,000 Metric tonnes of engineered fill and surcharge material has been placed so far. This equals 15,000 truckloads.

### Canadian Bridge site

- Concrete pour in the north footing is complete in the first of three levels
- Tower footing work continues
