

## GORDIE HOWE INTERNATIONAL BRIDGE

# I-75 NORTHBOUND SERVICE DRIVE CLOSURE AND DETOURS

As construction of the Michigan Interchange continues, Bridging North America will temporarily close the Northbound I-75 Service Drive between Waterman Street and Dragoon Street. This closure is required to support the construction of US Bridge ramps and the reconstruction of the Northbound I-75 Service Drive.

- Livernois exit-ramp at Northbound I-75 will close over a long-term period, starting at 7 a.m. on June 15, 2021.
- The Northbound I-75 Service Drive will close between Waterman Street and Dragoon Street over a long-term period starting at 7 a.m. on June 15, 2021, to August 1, 2022.

### Northbound I-75 Service Drive Detour:

Northbound I-75 Service Drive traffic at Waterman Street heading to Northbound I-75 Service Drive will be detoured South on Waterman Southbound, East on Fort Street, North on Clark Street Northbound, then to Northbound I-75 Service Drive or Clark on-ramp to I-75.

### Livernois Exit-Ramp at Northbound I-75 Detour:

Northbound I-75 traffic heading to Clark Street will be detoured to take Springwells exit-ramp, South on Springwells Southbound, East on Fort Street, then to Clark Street.

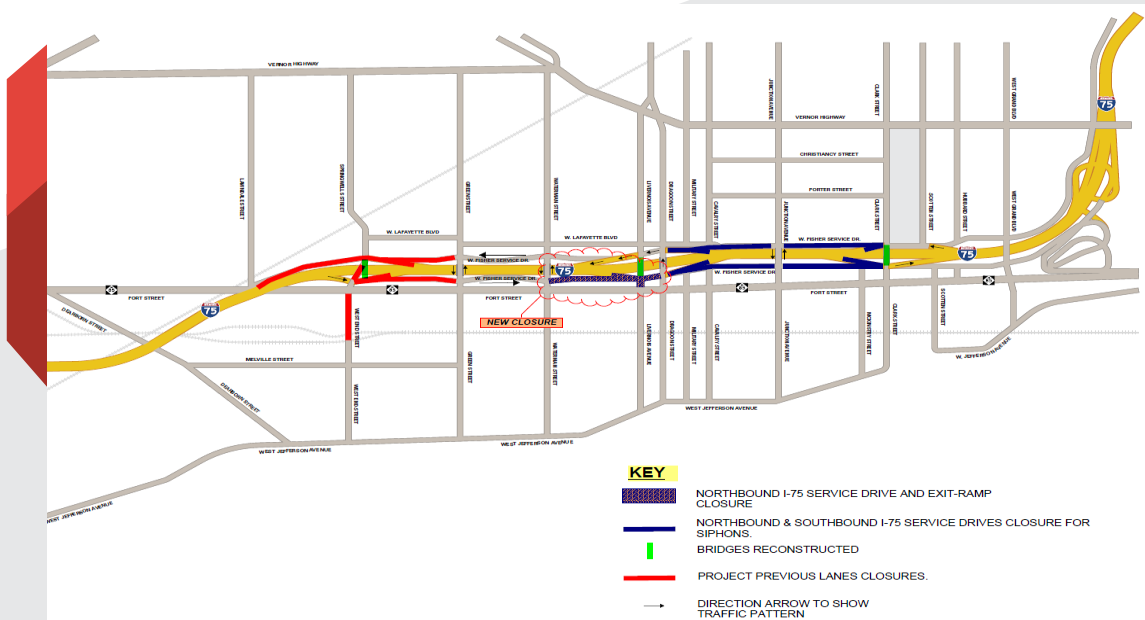

From a big picture standpoint, closing the Northbound Service Drive from Waterman Street to Clark Street is critical for the ramp and service drive reconstruction, as well as the future opening of the Livernois, Clark and Springwells bridges.

The Livernois, Clark and Springwells bridges are expected to open in fall of 2021.

Long-term Service Drive closures will be in place as follows:

- Waterman Street to Dragoon Service Drive closure until summer of 2022.
- Dragoon Street to Clark Service Drive closure until winter of 2022.

## I-75 NORTHBOUND SERVICE DRIVE CLOSURE AND DETOURS

We appreciate your cooperation throughout this project. Every effort will be made to reduce inconvenience to drivers, residents and the business community. If you have any questions or concerns regarding traffic or these construction activities find out more:
